Defense Witness No. 4 [REDACTED]

The witness is warned to tell the truth.

DIRECT EXAMINATION:

Q: Can you say something in connection with Mohamed Hashaiqa?

A: In regard to [REDACTED], there is no relationship between us. If you want me to explain to you how the terrorist attack was carried out, I am prepared to do so.

The witness and the Defendant talk.

O: What was my connection with the terrorist attack carried out by Mohamed Hashaiqa.

[REDACTED] took Mohamed Hashaiqa to the Qalandiya checkpoint, and introduced him to me, after they had prepared him. I called [REDACTED] and she took Hashaiqa to Jerusalem and he carried out the terrorist attack.

To the Court's question: After they prepared Mohamed Hashaiqa. They prepared him, who prepared him?

A: I and [REDACTED].

Defendant: In connection with the Mohamed Hashaiqa operation, the details of the incident, in my statement there are things that are not true and there are things that are true. I want to make clear to the Court those things that are true. Mohamed Hashaiqa, I sent him and filmed him and explained to him the place

for the terrorist attack; in connection with the time and date of the terrorist attack and preparation of the terrorist attack, I received the belt and prepared him and dressed the suicide terrorist. Subsequently I checked the place for the terrorist attack, and I brought the car and drove Mohamed Hashaiqa up to the Qalandiya checkpoint, from the checkpoint I put him into a taxi, I don't remember which taxi, and I explained to the taxi driver to drive him to King George Street, I was in contact with Mohamed, he passed all the checkpoints on the way to Jerusalem, and he found the right place to commit suicide and did so. In connection with Mohamed Hashaiqa there is an admission by [REDACTED]

[REDACTED] These are the exact and true details, and it may be that under interrogation she was afraid, it's natural when a young woman is under interrogation, of course pressure was put upon her, and [REDACTED] connection, I informed the media about the terrorist attack and she knew of the terrorist attack only after it had been carried out. [REDACTED] knew of the terrorist attack, but he did not participate in it. In connection with [REDACTED] I was present in Ramallah, [REDACTED] came to me there and asked, and I don't know where she got my telephone number from, when she came to Ramallah she called and told me [REDACTED] Initially I refused to send her, and upon returning to Nablus people called me and told me that [REDACTED]

I thought that she would go for nothing, I prepared the explosive belt for her in Ramallah, I dressed her in it and I drove her to the taxi, and the taxi took her to the Modiin checkpoint, of course I planned the terrorist attack against Modiin checkpoint, which is a military checkpoint, and that's where the terrorist attack took place.

Military Prosecutor: I am satisfied with the Defendant's statements, as given on October 6, 2002, December 10, 2002, and now. I ask to make clear to the Court that the Defendant's admission is not the result of a bargain or a promise that we made to him.

Defendant: I wish to add, in connection with [REDACTED] terrorist attack, in connection with dressing [REDACTED] and in connection with the terrorist attack, during preparations, this is because I want to demonstrate that there are many errors in the statements, and [REDACTED] admission when she said [REDACTED] it's not true. It was I who produced the belt, and I dressed her in it. I filmed her, and it is I who filmed the terrorist attack, and I dressed her in the belt in the presence of [REDACTED]. [REDACTED] had no connection, but she was with me, present in the vehicle.

[Stamp] P 5: 108

Military Prosecutor: I repeat my motion to convict the Defendant on the basis of his own confession, I move, since the Court will convict the Defendant, to adjourn the case to March 17, 2003, for arguments as to penalty.
